[Google Cloud Platform](#) [Microsoft SharePoint](#) [Power Automate & Apps](#)

[Problem Solving](#) [Software & Web. Development](#) [Project Management](#)

ACHIEVEMENTS

Developed Web. Apps that are deployed on Cloud

Successfully developed and deployed web applications using Google Cloud Platform (GCP) and Microsoft SharePoint, enhancing business operations with cloud scalability and collaboration tools. As well as integrated PowerApps and Power Automate to streamline workflows and improve data management efficiency.

Lead two (2) skilled Web. Developers to Create an Accounting System

Accounting system is a must for every company as this will streamline their process and to eliminate human error. My previous company trusted me to develop one and lead two (2) skilled Web. developers to deliver the project on-time this includes communication with the company's accountant and CEO.

Best in Thesis, Best Programmer, Best in Practicum, President's and Dean's Lister

In college, I excelled in various areas, earning the Best in Thesis, Best Programmer, and Best in Practicum awards. Additionally, I received three (3) Dean's lister and five (5) President's lister awards, showcasing my consistent academic excellence. I was also the class president for four (4) consecutive years.

Best in I.C.T., Journalist of the Year, and With Honors

I managed to get all three (3) awards during my Junior High School year and that made me and my parents happy and proud. As well as getting With Honors in Senior High School.

EDUCATION

Pamantasan ng Lungsod ng Pasig Tertiary
Alkalde Jose St., Kapasigan
